Re: Commencement of claim filing with the T H Agriculture & Nutrition, L.L.C.  
Asbestos Personal Injury Trust

Dear Counsel:

Effective April 1, 2011, the T.H. Agriculture and Nutrition, LLC Asbestos Personal Injury Trust ("the Trust") will commence accepting asbestos personal injury claims. The Trust was established as the result of the Chapter 11 reorganization of T.H. Agriculture and Nutrition, LLC ("THAN"), in order to fairly and equitably resolve all asbestos personal injury claims arising as a result of THAN activities. The Trust has established procedures for processing and paying claims on an impartial, first-in-first-out basis, with the goal of paying all claimants over time as equivalent a share as possible of the value of their claims. Pursuant to Sections 2.3 and 4.2 of the Trust Distribution Procedures, the Payment Percentage has been set at 30%.

Attached please find a complete copy of the Trust Distribution Procedures and the Filing Instructions. Copies of these materials - as well as additional materials helpful in understanding the claims submission and review process – will also be available for download from the Trust's website at [www.THANAsbestosTrust.com](http://www.THANAsbestosTrust.com) on or about April 1.

Please review the Trust Distribution Procedures and filing materials carefully before submitting claims to the Trust. You may begin submitting claims immediately upon registration with the Trust and - for law firms wishing to use the electronic filing option - execution of the Electronic Filing Agreement ("EFA"). The Registration Form and EFA may be returned by mail, email or fax. Training for users of the online filing system will be conducted by web seminars which will be scheduled upon receipt by the Trust of the executed EFA. If you have questions concerning the attached Trust Distribution Procedures and/or Filing Instructions, please do not hesitate to contact Verus Claims Services.
